

drawer lighting 900

Item number: 20072031

LED lighting mounted in the basin vanity unit. The light comes on automatically when the drawer is opened and illuminates the drawer. The basin vanity unit has prepared holes for fitting the drawer lighting for easy installation. A transformer is included and is mounted in the back of the cabinet and connected to 230 V. If lighting is required in both drawers, use two sets of drawer lighting. Warm white light. IP20.
