bathroom mirror vind led 550x800 with light

Item number: 20073356

Mirror Westerbergs Vind combines a soft, asymmetrical shape with functional backlighting that spreads a warm, inviting light in the bathroom. With the help of the integrated motion sensor, you can easily turn on, off and change the brightness of the mirror with simple hand gestures, and avoid unnecessary fingerprints on the mirror glass.

The light of the mirror is warm white, and thanks to the built-in memory function, your favourite setting is reset every time you turn on the mirror. Mirror Attic with lighting is IP44 rated (splash-proof) and adapted for bathroom environments. The mirror is IP44 rated and adapted for bathroom environments.
