

socket for drawer, with plug

Item number: 20072023

White electrical socket with protective cover from Westerbergs, designed for easy installation on the rear panel of the drawer inside the bathroom unit. The socket features a 60 cm cable with plug and connects to a grounded 230V wall socket behind the unit.

This practical socket makes it easy to connect appliances such as an electric toothbrush or hairdryer inside the vanity unit. The socket can be easily disconnected when required, for example when the drawer needs to be removed for cleaning the waste trap.
