

under cabinet nejd anthracite matt 1200d

Item number: 20073039

Nejd is a classic style bathroom furniture with fronts with frames. Soft close drawer with full pull out and drawer sides of metal. The mat hols things in its place and can be removed for easy cleaning. Upper drawer has a U-construction, enabling space for The waste trap. The furniture is prepared for both floor- and wall waste and has adjustable suspension brackets. Comes in white matt and anthracite. We recommend waste trap 200 720 00 that is very slim and leaves much room within The drawer. Complement with handles.

Package width (m)	1,320
Package depth(m)	1,400
Package weight(kg)	48,000
Miscellaneous	
Suspension type	Justerbara upphängningsbeslag med väggskena
Opening function	Soft close

Care instructions

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
