

## under cabinet himmel anthracite matt 900

Item number: 20073107

Himmel is a stylish bathroom under cabinet with soft-closing drawers with integrated handles. The drawers have full pull-outs and drawer sides made of metal. A removable mat at the bottom of the drawers keeps things in place and makes it easier to clean. The upper drawer has a U-shape that leaves space for water traps. The furniture is prepared for both floor and wall drains and has adjustable hanging fittings. Available in white matte and anthracite. Purchase for water trap.

### Detailed information

#### Item number

RSK 8907677  
EAN 7333231001151

#### Standards and classifications

ETIM EC011382

#### Product dimensions and weight

Width 900  
Depth (mm) 453  
Height (mm) 535  
Net weight (kg) 31

#### Material and surface treatment

Main material MDF, Chipboard  
Front material MDF  
Body material Chipboard  
Surface treatment Lacquered  
Surface finish Matt  
Color Anthracite

#### Packaging dimensions and weight

Package height(m) 0,595  
Package width (m) 0,960  
Package depth(m) 0,570  
Package weight(kg) 32,500

#### Miscellaneous

Suspension type Justerbara  
upphängningsbeslag med  
väggskena  
Opening function Soft close

### Care instructions

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
