

# basin hav concrete 1000

**Item number: 20074008**

Concrete washbasin, handmade with a unique shape that harmonises nicely with Himmel, Jord and Nejd bathroom furniture. Comes in sizes 600, 800, 900 and 1000. Each sample is unique and the surface is lively with color sifts. The upper surface of the basin is sealed to close the pores of the concreted and hence make it more stain resistant. Natural pores on the outside can occur. Complement with waste pop up and waste trap.

## Detailed information

### Item number

RSK 7781036  
EAN 7333231003803

### Standards and classifications

EN standard EN14688  
CE marked Yes  
ETIM EC011550

### Product dimensions and weight

Width 1010  
Depth (mm) 465  
Height (mm) 135  
Height min. (mm) 35  
Net weight (kg) 18

### Material and surface treatment

Main material Concrete  
Color Dapple-grey

### Packaging dimensions and weight

Package height(m) 0,210  
Package width (m) 1,070  
Package depth(m) 0,520  
Package weight(kg) 20,000

## Care instructions

Concrete is a rustic material with natural variations in colour and surface, the material ages when used. Treat the surface of your concrete wash basin regularly, you will find a remedy for concrete at well-stocked specialist retailers. The inside of the washbasin is sealed to close pores and make the surface more resistant to stains. Wipe of water drops with a soft cloth after use to avoid lime coating. If water is left standing in the basin, dark areas may occur which disappear after a few hours. Do not expose the washbasin to water with a temperature higher than 60 ° C or rapid temperature changes. Clean the washbasin with a damp cloth and possibly a little diluted detergent. Always use a soft cloth, avoid steel wool and the like. Avoid cleaners and products containing abrasives, acids, ammonia, acetone or other chemicals (eg scrubbing powder, hair spray, hair colour, bleach, hair removal and nail polish remover etc.). Should you spill any of the above products on the wash basin it should be removed immediately to avoid damage.
