

basin mixer porla low chrome

Item number: 20030080

Beautiful basin mixer of high-qualitative brass. Comes in high and low models and in colors chrome and black. The mixer can be fixated to the basin or the counter top without tools. It also has a water saving aerator that mixes air into the water beam so that less water is used, while at the same time, the pressure is kept. Tested and certified by SINTEF. Complement with waste pop up in matching color.

Height (mm)	200		
Height to spout (mm)	99		
Width	45		
Net weight (kg)	1,8		
Connection type			
Connection incoming water (inch)	G 3/8		

Care instructions

Remove soap residue and limescale daily with a damp cloth. Do not use cleaning products that are mordant, acidic or abrasive, because they can do permanent damage to chromium plating, coating, gilding, etc.
